Harvey Norman

Thank you for your recent purchase with Harvey Norman Stores (NZ) Pty Limited.
PLEASE NOTE SOME KEY INFORMATION ABOUT THE INTEREST FREE FINANCE PLAN YOU HAVE SELECTED.

☐ Interest Free Finance

Please note the following information applies on Interest Free Finance

- The finance requires a minimum monthly repayment of 3% of the total closing balance or \$20, whichever is greater.
- Paying only the minimum monthly repayment will not be sufficient to repay the purchase amounts(s) within the promotional period.
- You will receive a monthly statement which will outline your minimum monthly repayment amount and your repayment options.
- You can make additional payments at any time without penalty.
- There is a one off establishment fee and thereafter an annual account fee.
- On expiry of the interest free period, the prevailing interest rate (currently 25.99% Gem Visa/29.95% p.a Gem CreditLine) will apply to any outstanding balance.

NEVER DIVIDE your purchase amount by the promotion term as for some transactions the minimum monthly payment of 3% may be initially higher than equal payment amounts over the finance term you have selected.

☐ Equal Instalment Interest Free Finance

Please note the following information applies on Equal Instalment Finance

- The finance requires a fixed monthly repayment.
- The monthly repayment is calculated by dividing the total purchase price by the number of interest free months on finance.
- You will receive a monthly statement which will outline your minimum monthly repayment amount and your repayment options. This will include your fixed monthly repayment and any other repayments required on any other transactions.
- You can make additional payments at any time without penalty.
- There is a one off establishment fee and thereafter an annual account fee.
- On expiry of the interest free period, the prevailing interest rate (currently 25.99% Gem Visa/29.95% p.a Gem CreditLine) will apply to any outstanding balance.

I CONFIRM THAT THE ABOVE INFORMATION HAS BEEN EXPLAINED TO ME.

☐ Deferred Interest Free followed by additional Interest Free Finance

Please note the following information applies on Deferred Interest Free followed by additional Interest Free Finance

- The full term in interest free.
 - No repayment is required during the deferred interest free period.
 - A minimum monthly repayment of 3% of the total closing balance or \$20, whichever is greater is required on the additional interest-free period.
 - Paying only the minimum monthly repayment during the interest free period will not be sufficient to repay the purchase amounts(s) within the promotional period.
 - You will receive a monthly statement which will outline your minimum monthly repayment amount and your repayment options.
 - You can make additional payments at any time without penalty.
 - There is a one off establishment fee and thereafter an annual account fee.
 - On expiry of the interest free period, the prevailing interest rate (currently 25.99% Gem Visa/29.95% p.a Gem CreditLine) will apply to any outstanding balance.
- NEVER DIVIDE** your purchase amount by the promotion term as for some transactions the minimum monthly payment of 3% may be initially higher than equal payment amounts over the finance term you have selected.

☐ Deferred Interest Free Finance

Please note the following information applies on Deferred Interest Free Finance

- The finance requires no monthly repayment.
- Payment is due in full at the end of the promotional period.
- You will receive a monthly statement which will outline your repayment options.
- You can make additional payments at any time without penalty.
- There is a one off establishment fee and thereafter an annual account fee.
- On expiry of the interest free period, the prevailing interest rate (currently 25.99% Gem Visa/29.95% p.a Gem CreditLine) will apply to any outstanding balance.
